

AMENDED IN ASSEMBLY APRIL 15, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 538

Introduced by Assembly Member Arambula

February 25, 2009

An act to amend Section 653y of the Penal Code, relating to crimes.

LEGISLATIVE COUNSEL'S DIGEST

AB 538, as amended, Arambula. Emergency telephone system: abuse.

Under existing law, any person who knowingly allows the use of, or who uses, the 911 telephone system for any reason other than because of an emergency is guilty of an infraction.

This bill would authorize an entity that provides emergency ~~medical~~ *Medi-Cal* services to report a violation to the public safety entity that originally received the call. The bill would require the public safety entity ~~to verify that a violation has occurred and~~ *originally receiving the call, upon verification that a violation has occurred*, to issue the applicable warnings and citations, as specified. By imposing new duties on local officials, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:
